

FOR SALE

1964 Mercedes Benz Unimog 404S chassis, \$8,500.

Purchased in 2008 as a runner in WA. Truck was disassembled and stripped. Frame was degreased, prepped and repainted with POR-15 Chassis black. Axles were gone through and seals were replaced. All parts purchased through local vendor @ El ect. Brakes were completely overhauled. New brake cylinders were sent to be relined before being installed. New hardware purchased and installed. New linings purchased and bonded and riveted to shoes then mated to drums for optimal fit. Drums spece'd and resurfaced. This chassis is fitted with air assist brakes. Very nice upgrade to have. New Shocks.(4). Springs repainted. Alk new panhard bushings installed. New upper and lower king pins.

Also available or possibly included for additional price:

Custom cab (12"lift) not done

Radio box (custom painted), \$4,500.

Tranny(5hrs), \$1,500.

5 ton combat beadlock rims (5)

Hutchinson Aluminum beadlock rims (4ea.)

Asst of parts available. Located in WA. Rims loc...
